In Memoriam

GEORGE A. JACKSON

1864-1928

George A. Jackson entered into rest at his home on April 11th after five months' illness. He joined the Prospect Avenue Baptist Church as a young man and for forty years was one of its most active supporters. His membership was transferred to Delaware Avenue in 1925. Though he came to us late in life and was with us for a comparatively short period, he had won the esteem and love of the whole church before he was taken away. No man of our denomination in Buffalo during recent years served the Kingdom more loyally and efficiently than he. He was generous with his means, but first of all he gave himself to the Lord. No task was too humble for his painstaking attention. Never was the pressure of his own business so great that he had not time to respond to some new call. Not only to the church did he give himself in service, but he was loyal to the whole denominational program. The Buffalo Baptist Union found in him an indefatigable helper. He was for many years a director of the Buffalo Y. M. C. A. It would be impossible to enumerate all the Christian organizations and enterprises in which he was enlisted. The sympathy of Delaware Avenue Church goes out to his wife and children. We share in a peculiar degree in their loss.
